

§ 46.204 Articles in transit.

The dealer must include articles subject to floor stocks tax that are in transit in the inventory if the dealer holds title to those articles. If the dealer has transferred title to the article, the dealer must document the title transfer in writing. For example, the dealer may mark the bill of lading with a written statement that indicates the time and place of the title transfer.

§ 46.205 Guidelines to determine title to articles in transit.

The dealer may use the following guidelines to establish who holds title to articles in transit.

(a) If State law mandates the change in title, then no agreement or contract between seller and buyer can alter it.

(b) In the absence of State law governing the change of title between seller and buyer, the Uniform Commercial Code allows the seller and buyer to agree when title passes.

(c) If there is no State law or agreement between the seller and buyer, the Uniform Commercial Code states that title transfer depends on how the seller ships the articles.

(1) If the shipment is free on board (F.O.B.) destination, the title transfer occurs when the seller completes the physical delivery of the articles.

(2) If the shipment is free on board (F.O.B.) shipping point, the title transfer occurs at the time and place of shipment, which is generally by common carrier.

§ 46.206 Articles in a foreign trade zone.

If articles subject to floor stocks tax are stored in a foreign trade zone established under the Foreign Trade Zone Act (the Act of June 18, 1934, 48 Stat. 998, 19 U.S.C. 81a *et seq.*), the dealer is liable for the tax and must take an inventory in accordance with § 46.207 or when either of the following conditions apply:

(a) Internal revenue taxes have been determined or customs duties liquidated, with respect to the articles pursuant to the first proviso of section 3(a) of the Foreign Trade Zone Act; or

(b) Articles are held by a customs officer pursuant to the second proviso of section 3(a) of the Foreign Trade Zone Act.

§ 46.207 Articles held in bond.

If the dealer is a manufacturer or an export warehouse proprietor and holds articles in TTB bond on April 1, 2009, the floor stocks tax does not apply to those articles. Likewise, if the dealer holds articles in a customs bonded warehouse on which tax has not been paid or determined, the floor stocks tax does not apply on those articles. However, if the dealer on April 1, 2009, holds articles in a customs bonded warehouse or foreign trade zone on which tax has been paid or determined pursuant to 26 U.S.C. 5703(b)(2)(B), the floor stocks tax applies to those articles.

§ 46.208 Unmerchutable articles.

Articles that the dealer holds for return to a supplier because of some defect are not subject to the floor stocks tax. However, the dealer must segregate any such unmerchutable articles and include them in a separate section of the inventory record. The dealer cannot include as unmerchutable any items that may be held because of poor market demand or to reduce the dealer's inventory. If, for any reason, the tobacco products or cigarette papers or tubes that were determined to be unmerchutable are not subsequently returned or destroyed, the dealer must file an additional floor stocks tax return and pay tax on such products plus any applicable penalties and interest.

§ 46.209 Articles in vending machines.

There is no exemption for articles in vending machines. They are subject to the floor stocks tax and must be included in the dealer's inventory record.

§ 46.210 Articles marked "not for sale" or "complimentary".
